Become a Member Today!

Support the stewardship, restoration and enhancement of the Coquille watershed

Active Members: Any individual, business or organization supporting the purpose and mission of the Coquille Watershed Association can become an Active Member. To become an Active Member you simply pay an annual due as established by the Board of Directors. Dues are currently \$25.00/year. Becoming an Active Member is an excellent opportunity to support *your* local watershed organization that is committed to improving our wonderful community and natural resources.

Board of Directors: New Board members are elected by existing Board members and are generally Active Members before joining the Board of Directors. Board members also pay the annual Active membership dues. Board members assist with programming, oversight, and fundraising and have voting authority for organization decisions.

Please complete the following form and enclose cash or a check made out to the Coquille Watershed Association.
